Henry the Star Spangled Study Spaniel

An American Flag Adventure

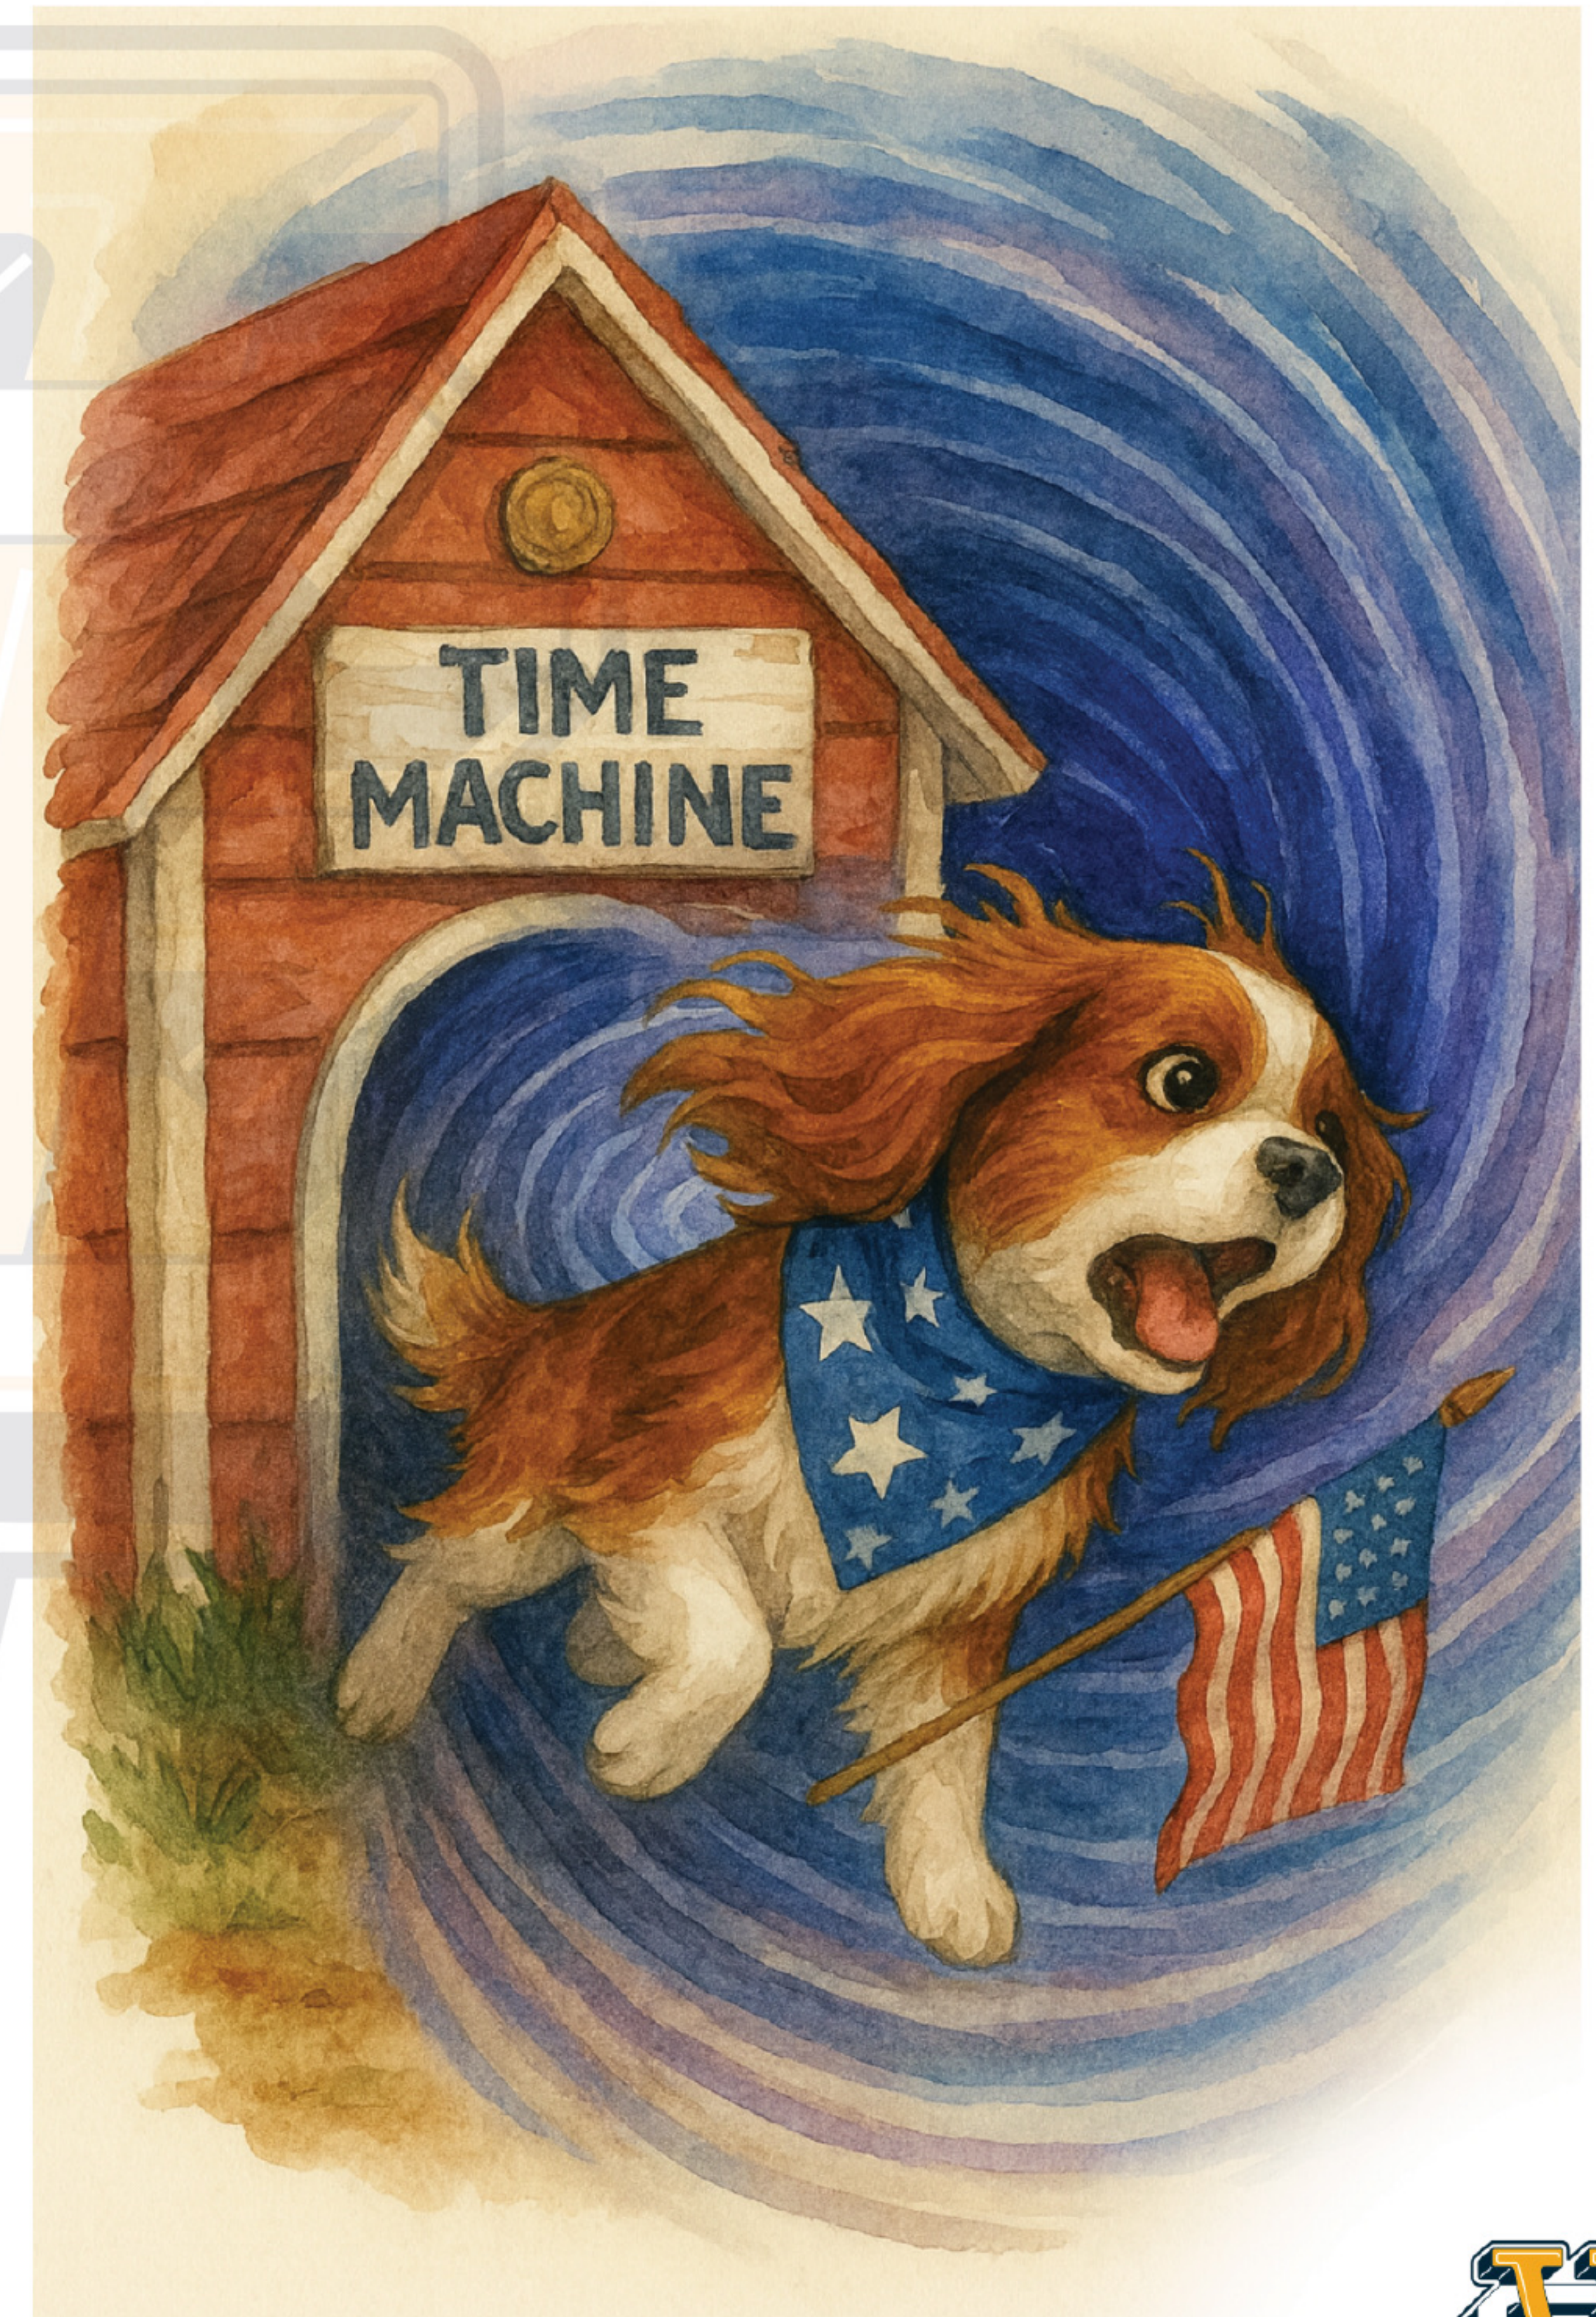

Topic: The American Flag

One windy day, Henry saw
the American flag waving
high over the park.

“Why does the flag have
stars and stripes?” He
wondered aloud.

Suddenly, a gust of wind
pulled Henry into his
doghouse time machine!

Henry landed in an old town.
He saw a flag that looked like the
one he saw in the park, but it had
thirteen stars. *“Hmm...how
strange. There were a lot more
stars on the flag back home.”*
Henry whispered.

Henry saw a woman sewing.
She smiled at him.
